FOX Factory's east coast R&D facility, located just outside the main gates of the property, sits nearly adjacent to the two off-road courses on the western edge of the property that bear the ride dynamics company's name – the FOX Race Face XC Course and the FOX Off-Road Proving Grounds.

Michelin Raceway Road Atlanta invites you to experience another exhilarating racing season at the track with us – from vintage racing to two-wheeled battles, tire-squealing drifting to top-tier sportscar racing and everything in between! The 2022 annual calendar at Michelin Raceway is packed with every form of motorsport and offers something for everyone to enjoy.

If you've ever dreamed of driving the track yourself, the Michelin Raceway schedule has plenty of car clubs and track days visiting this year that you can sign up with and fulfill that dream. Drift Atlanta fall on three back-to-back weekends, beginning April 22nd through 24th, so plan on spending a lot of time at the track in April and May!

Join us again in the fall for the 25th Anniversary Motul Petit Le Mans, one of the largest sportscar races in the world! This four-day showdown, which runs September 28th through October 1st, showcases some of the best sportscar drivers in the world for the 10-hour endurance classic on Saturday of race week.
