

CREATING AN ACCOUNT

If this is your first-time logging into your Tickets Account, whether your tickets were sent to you from the Michelin Raceway Road Atlanta Ticket Office, sent to you via 'Ticket Forward' from another Guest or this is your first time logging into your account to Renew, you will need to create a Tickets account upon first time logging in. You will need to use the email address where tickets were sent via email, or the email address associated with your renewal in order to create an account.

Using your Google Chrome, Firefox or Safari browser, navigate to [www. https://www.roadatlanta.com](https://www.roadatlanta.com) and select "Log In or My Account" at the top right of the browser.

From this page, if this is your first time logging in click on the SIGN UP button.
